

FACILITY SANITATION

The Brumos Collection facility is like none other. Visitors and staff alike can have peace of mind knowing we are taking strong measures to make sure it is sanitary and safe. The following protocols have been enacted:

- Collection will be open on Thursdays, Fridays and Saturdays.
- The Facility will be repeatedly sanitized over the course of each day.
- The Facility will be open from 10 a.m. to 4 p.m. each day. (last admissions at 4 p.m.)
- Pre-sales ticketing will be only be available online to reduce the number of attendees at any one time
- Maximum capacity reduced to 30 visitors per hour.
- Groups of 8 or more must email info@brumos.com ahead of time to secure tickets.

VISITOR PROTOCOL

We want visitors to come and enjoy our incredible collection first hand. For the safety of all visitors, the following Covid-19 protocols have been put in place. We ask that all visitors adhere to these safety measures:

- Face coverings required at all times when inside the facility.
- Please sanitize hands frequently: Sanitizing stations will be available throughout the Collection.
- Please avoid direct contact. Guests will be provided with Brumos Collection-branded stylus for use at all vehicle information kiosks (emphasis is on avoiding direct guest contact with touch screens.
- Please maintain a minimum six-foot distance from other guests and staff.
- Please remain within your group.
- If you feel unwell, have a fever or have been told to self-isolate, please reschedule your visit.

STAFF & VOLUNTEER PROTOCOL

The well-being of everyone who walks into our facility is essential. Which is why the following protocols have been incorporated to ensure the health and safety of our staff, volunteers and visitors:

- All Brumos Collection staff will be screened daily.
- Staff will wear face coverings at all times while inside the facility.
- Frequent hand sanitation will be required.
- Staff will sanitize all surfaces frequently.
- Temperature checks for all staff and volunteers will be performed prior to each shift.
- If any of our team members feel unwell or have been told to self-isolate, they are instructed to remain home.
- Staff will consistently check all sanitizing stations to assure that they are clean and working properly.
- Our staff will ensure all guest protocols are being followed including social distancing, and face coverings.
